## t-Global Technology Limited bids Farewell to Dr. Philip Blazdell

3 January 2019 – Lutterworth, United Kingdom

t-Global Technology Limited is sad to announce the departure of its General Manager, Dr. Philip Blazdell. Dr. Blazdell will be leaving to pursue his own professional challenges. Dr. Blazdell will continue working with t-Global Technology until 1 February 2019.

Until a successor is appointed, Nick Porter, Managing Director at European Thermodynamics Limited, will continue as General Manager.

During the transition period, Sales & Marketing will report directly to Nick Porter on an interim basis.

“We thank Philip for his commitment and expertise in his role as General Manager for T-Global Technology. During the past seven years, he has been instrumental in growing and improving T-Global Technology. We wish him all the best for his personal and professional future,” said Nick Porter, General Manager of T-Global Technology Limited.

For Sales queries, our clients can contact Duncan Bell at [sales@tglobaltechnology.com](mailto:sales@tglobaltechnology.com) or by phoning 01455 553 510.
